

## **Workshop on “Rendering Techniques” by Architect Milind Kulkarni on October 10, 2019**

D. Y. Patil College of Architecture, Talsande has arranged a one day workshop on “Rendering Techniques” by Ar. Milind Kulkarni for the students of Second Year B. Architecture. Ar Milind Kulkarni is a gold medalist architect from Sangali. His professional practice is spread over South Maharashtra and North Karnataka region. His specialization includes bungalows, schools and hospitals. Ar. Kulkarni demonstrated various rendering techniques by using watercolors, sketch pens and color pencils. He also stressed importance of sketching in the architectural design process. The workshop gave student a confidence by way of his illustration of direct application of rendering techniques in architectural design process in profession. In the end there was a fruitful interaction of questions and answers between the guest and the students of Second Year B. Arch.

**Ar. Milind Kulkarni explaining various types of papers and mediums for rendering at the beginning of the session to the students.**

**Ar. Milind Kulkarni demonstrating various rendering techniques in front of students and the faculty of Architectural Design subject.**

**The students engulfed in listening to the guest in workshop**
